

# Hump'em n' Dump'em

## Wheatus

Cough up the rent Mr. Kent  
And don't try to blame it on the government  
Your wife is a clown she's in town  
She gets with some other guy Are you gonna finish your fat?  
'Cause I'd like to give it to my kitty cat  
The big fat look is coming back  
You skinny people are screwed And I know you're right  
Yeah, I know it's time Here we go again, another hump 'em dump 'em situation  
Here we go again, another hump 'em dump 'em situation  
Here we go again, here we go again  
Now I know what you're like and I don't think I like it The newspaper says to get bent  
Man I'd like to say that to the President  
He got the L in the House  
I guess he already did She looks like she finished here fat  
She then turned around and ate my kitty cat  
She coughed up a hair ball or two  
And laughed her way to the bank And I know it's right  
Yeah, I know it's time Here we go again, another hump 'em dump 'em situation  
Here we go again, another hump 'em dump 'em situation  
Here we go again, here we go again  
Now I know what you're like and I don't think I like it Here we go again, another hump 'em dump 'em situation  
Here we go again, another hump 'em dump 'em situation  
Here we go again, here we go again Here we go again, another hump 'em dump 'em situation  
Here we go again, another another another  
Here we go again, here we go again Here we go again, another hump 'em dump 'em situation  
Here we go again, another another another  
Here we go again, here we go again Here we go again, another hump 'em dump 'em situation  
Here we go again, another another another  
Here we go again, here we go again  
Now I know what you're like and I don't think I like it
