

# Sweet Baby (feat. Lalah Hathaway)

Al Jarreau

When I think about your lovin', the Sunday evenings  
The fun we use to share  
Looking through the memories in my mind  
Since I've laughed and cried and thought it over  
Now I realize that it's never over only set aside Oh it's you sweet baby  
I will never be free from your embrace, sweet baby  
Only hopin' it's not too late to try again  
It's you sweet baby  
Ever lost and captured by your smile, sweet baby  
I will always be right there by your side, right by your side  
Lyin' here alone I'm dreamin', my mind keeps wanderin'  
My thoughts are only you  
Wanderin' through the memories in my mind  
How could love so real have turned so empty  
I just keep wanderin' why  
Will I ever find the love we share together you and I Oh, it's you sweet baby  
Though we've had such a long hard road to climb, sweet baby  
Only hopin' it's not too late to try again  
It's you, sweet baby  
Won't you try and believe in what I say?, sweet baby  
I will always be right there by your side, right by your side  
Oh it's you sweet baby  
I will never be free from your embrace, sweet baby  
Only hopin' it's not too late to try again  
It's you sweet baby  
Ever lost and captured by your smile, sweet baby  
I will always be right there by your side, right by your side
