

# Taking You

## Why Don't We

I need you in my life like limelight  
wherever I go I'm taking you  
whenever I call you in my lifeline  
I never hang up depen on you  
you fly with me I call you red-eye  
the sky so clear when you're the view  
you're the view (you're the view)  
I only say it cause I really mean it  
I ain't afraid of how you got me feeling  
the sky so clean when you're the view  
anywhere I go i'm taking you  
anywhere I go i'm taking you  
I need you in my life like limelight  
wherever I go I'm taking you  
whenever I call you in my lifeline  
I never hang up depen on you  
you fly with me I call you red-eye  
the sky so clear when you're the view  
you're the view (you're the view)  
I only say it cause I really mean it  
I ain't afraid of how you got me feeling  
the sky so clean when you're the view  
anywhere I go i'm taking you  
anywhere I go i'm taking you  
anywhere I go I'm taking you  
the sky so clean when you're the view  
you're the view (you're the view)  
you're the view (you're the view)  
you're the view (you're the view)  
you're the view (you're the view)  
âš«âš«  
you're the view (you're the view)  
you're the view (you're the view)  
I only say it cause I really mean it  
I ain't afraid of how you got me feeling  
the sky so clean when you're the view  
anywhere I go i'm taking you  
anywhere I go i'm taking you  
anywhere I go i'm taking you
