

Doll-Dagga Buzz-Buzz Ziggety-Zag

Marilyn Manson

Doll-dagga buzz-buzz ziggety-zag
Godmod grotesk burlesk drag
Doll-dagga buzz-buzz ziggety-zag
Godmod grotesk burlesk drag All the goose step girlies with their cursive faces
We know it's all braille beneath the skirt
I'm bulletproof bizzop, swing heil
And I don't really care what gentlemen prefer Say all you pindown girls and bonafied ballers
So manically depressed and manically dressed
We got a Venus not in furs but in uniforms
If you're not dancing, then you're dead Doll-dagga buzz-buzz ziggety-zag
Godmod grotesk burlesk drag
Doll-dagga buzz-buzz ziggety-zag
Godmod grotesk burlesk drag All the thug rock kids are playing
All the punk God Angels saying
The toys are us we don't even know All the thug rock kids are playing
All the punk God Angels saying
The toys are us we don't even know Go, go, go, doppelngers
You're one of us, you're one of us
Go, go, go
Throw your shapes, doppelngers
You're one of us Trumpet mouth, junky saints, silver tongue
Marching down the stairway to substance
Cocaingels and asses give me opiate masses
Fill up your church porn preachers, we'll fill up your glasses Doll-dagga buzz-buzz ziggety-zag
Godmod grotesk burlesk drag
Doll-dagga buzz-buzz ziggety-zag
Godmod grotesk burlesk drag All the thug rock kids are playing
All the punk God Angels saying
The toys are us and we don't even know All the thug rock kids are playing
All the punk God Angels saying
The toys are us and we don't even know Go, go, go, doppelngers
You're one of us, you're one of us
Go, go, go
Throw your shapes, doppelngers
You're one of us You're one of us
You're one of us
Go, go, go, go, go, go, go, no And all the thug rock kids go
And all the punk God Angels go
You're one of us now

You're one of us, so go, go, go And all the thug rock kids go
And all the punk God Angels go
You're one of us now
You're one of us, so go, go, go Doll-dagga buzz-buzz ziggety-zag
Godmod grotesk burlesk drag
Doll-dagga buzz-buzz ziggety-zag
Godmod grotesk burlesk drag Doll-dagga buzz-buzz ziggety-zag
Godmod grotesk burlesk drag
Doll-dagga buzz-buzz ziggety-zag
Godmod grotesk burlesk drag Doll-dagga buzz-buzz ziggety-zag
Godmod grotesk burlesk drag
Doll-dagga buzz-buzz ziggety-zag
Godmod grotesk burlesk drag You're one of us
