## VHVL

I never know now what you want  
You say nothing if you say it all  
Never want to take a stand  
Be outspoken in a spoken plan  
Listening, I'm not listening, to -  
Listening, I'm not listening, to -  
Indecision into stop  
Stand off if you can give it up  
[?] on your own  
To love for love and love alone  
Listening, I'm not listening, to -  
Listening, I'm not listening, to you  
A cold heart  
Hits me  
Just choose  
Between  
We'll chase  
Both ends  
'Til both hearts  
Wear thin  
You don't listen,  
You don't listen,  
Man you don't listen  
You don't listen,  
Man you don't listen
