

I Want You (12" Remix)

Animotion

Time and time again I keep trying to put you out of my mind
I can't concentrate
You're the only feeling I can find.
And it's taking over
Rolling me over
Seems like it won't stop
And I've lost control of my heart and soul.
'Cause when I see your eyes
Then I know I want you
When I hear your voice
That's when I know I want you.
Losing all my defenses
You're slipping back inside of my head
It's getting so I
can't exist
Without the thought of us together again.
And it's taking over
Rolling me over
Seems like it won't stop
When I feel your touch
Then I know I want you
Then I know I want you
I want you!
In my life it's been so uncertain
Ties were broken and it left me hurting
Maybe now I can trust again
with you.
And it's taking over
Rolling me over
Seems like it won't stop
...
When I feel your touch
Then I know I want you
Then I know I want you
I want you !
'Cause when I see your eyes
Then I know I want you
When I hear your voice
That's when I know I want you.
When I feel your touch
Then I know I want you
Then I know I want you
I want you !
