You Make Me Feel Cheap

Channel 3

I've been waitin' by your window for three long nights
(Can't do it, I just can't do it)
Won't you come out baby, won't you make it all right
(Don't make me, just don't make me)You say it ain't workin' but I must disagree
(Don't wanna, I just don't wanna)
Is something burning out here or is it just me?
(Don't wanna, I just don't wanna)And you say you just won't do it
(Don't make me)
Well you say we're just good friends
(Can't do it)
But you know it happened once
(Don't wanna)
And you know it could happen againYou make me feel cheapI've been thinkin' about you, girl
Since I met you last week
(Can't do it, I just can't do it)
I know it sounds cliche but I can't even sleep
(Don't make me, just don't make me)You're actin' so cold and I'm feelin' like dying
(Don't wanna, I just don't wanna)
I can't believe you're giving up
You're not even trying
(Don't wanna, I just don't wanna)And you say it's done and over
(Can't do it)
It was only for one night
(Don't make me)
But you're makin' me feel so cheap
(Don't wanna)
Don't you know that I'm not that kind of guy?You make me feel cheapAnd you say you just won't do it
(Can't do it)
Well you say we're just good friends
(Don't make me)
But you know it happened once
(Don't wanna)
And you know it could happen againYou make me feel cheapWell, you told me I was special
And I swallowed that line
(Can't do it, I just can't do it)
You took what you wanted
But you won't give me mine
(Don't make me, just don't make me)Now, I'm down and desperate
Won't you give me a hand

(Don't wanna, I just don't wanna)
Tell me I more than just a one night stand
(Don't wanna, I just don't wanna)And you say it's done and over
(Can't do it)
It was only for one night
(Don't make me)But you're makin' me feel so cheap
(Don't wanna)
Don't you know
That I'm not that kind of guy?You make me feel cheap
You make me feel cheap
(Well, just one time)
