You'll Never Be the Same

Graham Nash

You'll never be the same without me by your side
There's no one I can blame about my foolish pride
As long as life's a grain of sand tossing and turning in the tide
I'll say it once again, you'll never be the sameYou'll never be the same without me in your eyes
I know you feel a pain but you don't know how it lies
I think of you from time to time hoping I'm further down the line
I'll say it once again, you'll never be the sameI had no one to walk with in the rain 'til you came near
I had no one to talk with 'bout this pain I feel in hereYou'll never be the same without me by your side
There's no one I can blame about my foolish pride
As long as life's a grain of sand tossing and turning in the tide
I'll say it once again, you'll never be the same
