You're Right I'm Wrong

George Strait

You're right, I'm wrong
I'm here, you're gone
Now I'm the one to blame
That our love's at an endI lied, you cried
I died inside
Now I'll do anything
To get you back againStep by step, night after night
An' I'll walk the floor until mornin' light
Your leavin' words still haunt my mind
Cause I'm the fool who made you say goodbyeYou're right, I'm wrong
I'm here, you're gone
Then I'm the one to blame
That our love's at an endI lied, you cried
I died inside
Now I'll do anything
To get you back againDay by day, time after time
I did not see the warning signs
Now my beating heart keeps tellin' me
It hurts to know that I caused you to leaveYou're right, I'm wrong
I'm here, you're gone
Then I'm the one to blame
That our love's at an endI lied, you cried
I died inside
Now I'll do anything
To get you back againYes I'll do anything
To get you back again
