Limbo

Kylie Minogue

I see them all smiling
Those all around me
They tend to my wounds
And alert my senses
It would be nice
I'm not here
I'm dreaming
Holding on
Time has no meaning
All of it wasted
Smothers me
'Til there's no more air
When will it be
That I can breathe again
I'm waiting
In the void
(Limbo)
Lost in limbo
(Limbo)
Limbo, limbo
(Limbo)
Lost in limbo
(Limbo)
This notion of needing
Has held me ransom
And all I can do is
Avoid my mind
Don't make me speak
Or hear or look
Because I'm hurting
Help me out
(Limbo)
Lost in limbo
(Limbo)
Limbo, limbo
(Limbo)
Lost in limbo
(Limbo)
I'm in limbo

I'm killing time
I'm killing time
Time, time, time
Time, time, time, time
Caught in a crossfire
Nobody gets it
I'm finding it hard
To contain myself
Take all my trust
And faith and hope
Until I need it
Once again
(Limbo)
Lost in limbo
(Limbo)
Limbo, limbo
(Limbo)
Lost in limbo
(Limbo)
Limbo, limbo
(Limbo)
Lost in limbo
(Limbo)
Limbo, limbo
(Limbo)
I lost in limbo
(Limbo)
I'm in limbo
(Limbo)
Lost in limbo
(Limbo)
Limbo, limbo
(Limbo)
I lost in limbo
(Limbo)
I'm in limbo
(Limbo)
