Better Than I

John Bucchino

I thought I did what's right
I thought I had the answers
I thought I chose the surest road
But that road brought me here

So I put up a fight
And told you how to help me
Now just when I have given up
The truth is coming clear

You know better than I
You know the way
I've let go the need to know why
For You know better than I

If this has been a test
I cannot see the reason
But maybe knowing "I don't know"
Is part of getting through

I tried to do what's best
But faith has made it easy
To see the best thing I can do
Is to put my trust in You

For You know better than I
You know the way
I've let go the need to know why
For You know better than I

I saw one cloud and thought it was the sky
I saw a bird and thought that I could follow
But it was You who taught that bird to fly
If I let You reach me
Will You teach me?

For You know better than I
You know the way
I've let go the need to know why
I'll take what answers You supply

You know better than I
