

# Better Than I

## John Bucchino

I thought I did what's right  
I thought I had the answers  
I thought I chose the surest road  
But that road brought me here

So I put up a fight  
And told you how to help me  
Now just when I have given up  
The truth is coming clear

You know better than I  
You know the way  
I've let go the need to know why  
For You know better than I

If this has been a test  
I cannot see the reason  
But maybe knowing "I don't know"  
Is part of getting through

I tried to do what's best  
But faith has made it easy  
To see the best thing I can do  
Is to put my trust in You

For You know better than I  
You know the way  
I've let go the need to know why  
For You know better than I

I saw one cloud and thought it was the sky  
I saw a bird and thought that I could follow  
But it was You who taught that bird to fly  
If I let You reach me  
Will You teach me?

For You know better than I  
You know the way  
I've let go the need to know why  
I'll take what answers You supply

You know better than I
