

# Time After Time

## Blaque

Lying in my bed, I hear the clock ticking, think of you  
Caught up in circles, confusion is nothing new  
Flashbacks, warm nights almost left behind  
Suitcase in memories time after  
Sometimes you picture me, I'm walking too far ahead  
You're calling to me, I can't hear what you've said  
And you say, "Go slow", I fall behind  
The second hand unwind  
If you're lost, you can look and you will find me time after time  
If you fall, I will catch you, I'll be waiting time after time  
If you're lost, you can look and you will find me time after time  
If you fall, I will catch you, I'll be waiting time after time  
After my picture fades and darkness has turned to gray  
Watching through windows, you're wondering if I'm okay

Secrets stolen from deep inside, the drum beats out of time  
If you're lost, you can look and you will find me time after time  
If you fall, I will catch you, I'll be waiting time after time  
You say, "Go slow", I fall behind  
The second hand unwind  
If you're lost, you can look and you will find me time after time  
If you fall, I will catch you, I'll be waiting time after time  
If you're lost, you can look and you will find me time after time  
If you fall, I will catch you, I'll be waiting time after time  
Time after time, time after time, time after time  
Time after time, time after time, time after time  
Time after time, time after time, time after time
