

A Song for the Hopeless

All That Remains

The day has ended
I lay awake
A soft glow over my shoulder
I'll sleep soon
Wake tomorrow and then it's all the same And i'll destroy the memories one by one
The bitter past erased
I'll not replace
What's done is done No belief is all that's left and i do not regret
The darkness welcomes me back home! And I am still my own
Can't take away [X2] And I feel the pain still deeply
It seems sometimes too much to bear
I have a core within me still
My strength is there And i'll destroy the memories one by one
The bitter past erased
I'll not replace
What's done is done No belief is all that's left and i do not regret
The darkness welcomes me back home! And i am still my own Can't take away [X2]
And i can't be made less
I know who I am And i am still my own!
