The Girl For Me Tonight

Peter Cincotti

I can see the yearning in your eyes
I can see the hunger you disguise
I know that it's for me
So here's your chance to be
The lucky girl for me to love tonight
I'll be glad to take you on a ride
Satisfy your craving deep inside
But this I'm telling you
Tomorrow we'll be through
You're just a girl for me to love tonight
Come tonight and see
All that life can be
Say yes, and I will show you paradise
Come and you will know
The land where pleasures grow
A world that's bound to make you hypnotized
If you wait temptation starts to burn
It's the way you are so until you learn
That you want me even more
So before I close the door
Are you the girl for me to love tonight
Come tonight and see
All that life can be
Say yes, and I will show you paradise
Come and you will know
The land where pleasures grow
A world that's bound to make you hypnotized
If you wait temptation starts to burn
It's the way you are so until you learn
That you want me even more
So before I close the door
Are you the girl for me to love tonight
