

Jar of Hearts (feat. Tiffany Alvord)

Boyce Avenue

I know I can't take one more step towards you
Cause all that's waiting is regret
And don't you know I'm not your ghost anymore
You lost the love I loved the most I learned to live half alive
And now you want me one more time And who do you think you are
Running 'round leaving scars
Collecting your jar of hearts
And tearing love apart
You're gonna catch a cold
From the ice inside your soul
So don't come back for me
Who do you think you are I hear you're asking all around
If I am anywhere to be found
But I have grown too strong
To ever fall back in your arms I learned to live half alive
And now you want me one more time
And who do you think you are
Running 'round leaving scars
Collecting your jar of hearts
And tearing love apart
You're gonna catch a cold
From the ice inside your soul
So don't come back for me
Who do you think you are And it took so long just to feel alright
Remember how to put back the light in my eyes
I wish I had missed the first time that we kissed
Cause you broke all your promises
And now you're back
You don't get to get me back And who do you think you are
Running 'round leaving scars
Collecting your jar of hearts
And tearing love apart
You're gonna catch a cold
From the ice inside your soul
So don't come back for me
Don't come back at all And who do you think you are
Running 'round leaving scars
Collecting your jar of hearts
And tearing love apart

You're gonna catch a cold
From the ice inside your soul
Don't come back for me
Don't come back at all Who do you think you are?
Who do you think you are?
Who do you think you are?
