

# It's A Beautiful Day

[Sarah Brightman](#)

Un bel giorno  
Un bel giorno per morireUn bel di, vedremo  
Le varsi un fil di fumo  
Sull'e stremo con fin del mare  
E poi la nave appareWith every new day  
Your promises fade away  
It's a fine day to see  
Though the last day for me  
It's a beautiful dayUn bel di, vedremo  
Le varsi un fil di fumo  
Sull'e stremo con fin del mare  
E poi la nave appareWith every new day  
Your promises fade away  
It's a fine day to see  
Though the last day for me  
It's a beautiful dayIt's the last day for me  
It's a beautiful dayIt's the last day for me  
It's a beautiful day
