

On

Delays

I can see you, I can see you
I can see you, I can see you
I can see you, I can see you On and on and on we'll go until we freeze
On and on and on because we like it
On and on and on we'll go until we freeze
On and on and on because we like it I can see you
I can see you On and on and on we'll go until we freeze
On and on and on because we like it
On and on and on we'll go until we freeze
On and on and on because we like it I can see you, I can see you
I can see you, I can see you
I can see you, I can see you
