

# For The Record (Prod. by Bryan-Michael Cox)

## Mariah Carey

Baby, baby, baby  
My love Hey, for the record  
You oughta know  
You wasn't thinking  
When you let me go But whatever  
That's how it goes  
Win some you lose some  
And others you hold in your heart Why it gets so hard  
Tears you all apart  
Even though you try to let go  
No, no, no  
Suddenly you're here  
And it's so surreal  
And I don't know  
What the deal 'Cause when I'm looking in your eyes  
Feels like the first time  
Give me one good reason why  
We can't just press rewind I don't wanna spend my life  
Thinking what it could've been like  
If we had another try, one time  
Like back in the day that look on your face  
Feels like the first time Them other irregularities  
They can't compete with MC  
The whole entire world can tell  
That you love yourself some me  
People see ya know  
Asking all about  
Me and how they always thought  
We were so perfect together Let's re-write the end  
Start over again  
And it's gon' go better now 'Cause when I'm looking in your eyes  
Feels like the first time  
Give me one good reason why  
We can't just press rewind I don't wanna spend my life  
Thinking what it could've been like  
If we had another try, one time  
Like back in the day that look on your face  
Feels like the first time For the record  
You'll always be a part of me

No matter what you do And for the record  
Can't nobody say  
I didn't give my all to you And for the record  
I told you underneath the stars  
That you belong to me For the record  
It's obvious that  
We just can't let go of us, honey 'Cause when I'm looking in your eyes  
Feels like the first time  
Give me one good reason why  
We can't just press rewind I don't wanna spend my life  
Thinking what it could've been like  
If we had another try, one time  
Like back in the day that look on your face  
Feels like the first time 'Cause when I'm looking in your eyes  
Feels like the first time  
Give me one good reason why  
We can't just press rewind I don't wanna spend my life  
Thinking what it could've been like  
If we had another try, one time  
Like back in the day that look on your face  
Feels like the first time 'Cause for the record, baby  
Now you know, now you know
