

You Belong to Me

Trey Songz

You belong to me tonight, girl
I've been looking for
I've been looking for real love
Whoa, whoa, whoa oh yea

(Chorus)

You belong to me tonight my love (my love)
All I wanna do is make love slow
Girl I want, make love slow
Yea, yea
Girl u know your body deserve, deserve
Everything on this earth
I'll give it to you, give it to you
Girl I'll give it
Ooh I'll give it to you, give it to you
You gonna get it
Yea

And since we only in the first verse, verse
Girl take off that purse, purse
And get in this room
Ooh get in this room
Room, room

Now baby oh baby I'm ready (so ready)
I'm a take control if you let me inside of your world (let me inside)
Don't be afraid girl (Nooo)
Tempo slow, lights down low
Now tell me if you like down low (u like that)
I'll go (I'll go down)
Cuz I just wanna please you
Believe me when I tell u that I need you

(Chorus)

And if I can't have your body
I don't wanna have nobody
Rather be alone (lone, by myself)
Ain't no substitute
They can't do what you do for me
Would you please take your clothes off

Or would you rather me do that part, yea
Cuz I don?t mind, Noooo
No I don?t mind, Noooo
Button after button that blouse coming off
Kissing on your stomach now your skirt coming off
You feel so soft
Where is
Your spine
Kiss it till I find it
Must you be reminded

(Chorus)

Oooh
Awe there?s no thrill (awe nah)
Like the thrill I feel (I feel)
Making love to you (you you you you)
Making love to you woman
Bah dah bah bah (2x)
And I can?t wrap my mind around it
Woman your beauty
Perplexes me

Oh (3x)
You belong to me woman

(Chorus)
All I want
All I want
