Blue Eyes

Halestorm

You think you're knowing what you're doing, where you're going
You just fall a little further every time
You think your life is getting harder by the moment
No one seems to want to help you get it right.
But I know what it feels like

Hello (Hello)
Blue Eyes
Hello (Hello)
Don't cry
I know (I know)
What it's like
Hello (Hello)
Blue eyes
I will sing your distorted lullabies

No one likes to have their faults pointed out
Doesn't make you any different than anyone else
We'll find a common enemy
And it will bring us closer in the most self-destructive ways
I know what it feels like

Hello (Hello)
Blue Eyes
Hello (Hello)
Don't cry
I know (I know)
What it's like
Hello (Hello)
Blue eyes
I will sing your distorted lullabies

I know you don't believe a word I say when I tell you someday Everything will be just fine
So until then I will continue to cradle your head and help you get to sleep Every night
I will sing your distorted lullabies

Hello (Hello)
Blue Eyes
Hello (Hello)
Don't cry

I know (I know)
What it's like
Hello (Hello)
Blue eyes
I will sing your distorted lullabies

La, la, la, la
La, la, la, la
La, la, la, la
La, la, la, la
