

Slow (StoneBridge & Matt Joko Revibe)

Rumer

You make me want to sing about love
Every time I raise my head
You make me want to tell the whole world
What I've found is good Then they say Slow, slow this right down
Don't burn it out, don't let it show
Slow, oh, but my heart is racing
To hold your gaze and let it go My love, my love, my love
Killin' time is easy when you're here
From dreams I've seen you before
You're so familiar, you're so familiar And everywhere I go
Hear me calling for your love 'Cause if it's you, I will disarm you
And if it's you, do you know how to calm me down?
Oh, let me sleep in your arms
And I won't hear them singing Slow, slow this right down
Don't burn it out, don't let it show
Slow, oh, but my heart is racing
To hold your gaze and let it go You make me want to sing about love
Even though you don't wanna know
You make me want to tell the whole world
But I know you don't like it You don't like it
You don't like it Slow, slow this right down
(You're so familiar)
Slow, slow this right down
(You're so familiar)
Slow, slow this right down
Slow, slow this right down
