

# Red Sea

## Asobi Seksu

14 quiet days  
these hours just slept in your place  
white sand and a vague  
sense of youth  
how can i get through  
it's a violent truth  
that I'm like you16 lonely hours  
no sun or depth  
15 dreams of you all alone  
but still far from reach  
crosses traced in white sand  
it's a violent truth  
that I'm like you  
you said the first time was so perfect  
but the rest was all just wrong  
you said there too many gone too long
