FML

August Alsina

Wake up feeling like fuck my life
Life's a bitch she better fuck me right
Lost my love in this losing game
When the feds came, its like I lost my wife
Nigga losing weight, as I'm losing time
See I took a loss, see I lost a mill then I lost my mind
Over compensating with them hoes, over compensating with them hoes
Over did it like its over time
Told her run the tab till she overdose
Alpina, Alsina, King Push like King Tut
Made niggas to your middle men
You get middle fingers, we don't give a fuckLet me tell you bout my self, I'm not scared to die
Been through so much shit, sometimes I wanna be in the sky
Wanna know how it feels to fly, wanna know how it feels to fly
Scared of hello, ain't scared of goodbyeI never thought I would be here, I never thought I would get this far
If they say life's like a beach chair, why am I sitting in the darkSometimes I just feel like, fuck my life
Fuck my life
Even when I'm up I'm feeling down
Fuck my life
Got niggas locked up or underground
Fuck my life, fuck my life
Sometimes I just feel like, fuck my life
Fuck my life, fuck my lifeSee I grew up in the jungle, where everybody broke
A lot of niggas never make it, all they know is selling dope
Life ain't easy in the Easy, murder capital
Might not make it here tomorrow, like I'm running outta hopeI never thought I would be here, I never thought I would get this far
If they say life's like a beach chair, why am I sitting in the darkSometimes I just feel like, fuck my life
Fuck my life
Even when I'm up I'm feeling down
Fuck my life
Got niggas locked up or underground
Fuck my life, fuck my life
Sometimes I just feel like, fuck my life
Fuck my life, fuck my life
