Fu Manchu

Modified added lean
Whatcha get is whatcha see
Full code get it straight
Top of the line never lateShowpiece on the bars
Expired sails KT scars
Out ridin' backin' day
4130 only wayBetter check your code
'Cause he never king
(I thought better check your coat)
Table toping load like we ain't ever seenPro perform throwin' tabs
Hefty doubles tuff mags
Numbered plate ah, kiss this
Chicken scratch hit or missPimp suds spaced invade
Mouthful fade away
White knuckle pitched out
Full bore all aboutBetter check your code
'Cause he never king
(I thought better check your coat)
Table toping load like we ain't ever seenFlyin' over my head
