Never Gonna Let You Go

Tina Moore

Never gonna let you go
Cos you're my baby
Worth more than a million in gold
Now that I've got you back
I'll never let you go
Won't be a fool anymore

Time has come
For me to open my eyes
Blinded from
When I let you go boy
Now I see a new light
I got you back in my life

Oh yeah

Never gonna let you go
Cos you're my baby
Worth more than a million in gold
Now that I've got you back
I'll never let you go
Won't be a fool anymore

You are the one
That brings joy to my life
I'm sprung so strong
I have the strength to go on
Now I have some energy
Now my man is here with me

Oh yeah

Never gonna let you go
Cos you're my baby
Worth more than a million in gold
Now that I've got you back
I'll never let you go
Won't be a fool anymore

Oh ill never (never let)

Never let you go
I'll never, never, never, never, never
Never, Never let you go
Baby baby don't you know
Never let you go
Baby don't you know
Never let you go

Let me show how I missed you
I give you things that you love ah
I wanna make love everyday
Ohin a special way
I guarantee you never ever stay

Never ever
Never ever
Never ever
Never ever
Never ever
Never ever

Never let him go
Never let him go
Never, never, never, never, never, baby
Never let you

Never gonna let you go
Cos you're my baby
Worth more than a million in gold
Now that I've got you back
I'll never let you go
Won't be a fool anymore
