

Idle Worship

Paramore

Standing here like I'm supposed to say something
Don't hold your breath, I never said I'd save you, honey
And I don't want your money
If I was you I'd run from me or rip me open
You'll see you're not the only one who's hopeless
Be sure to put your faith in something more
I'm just a girl and you're not as alone as you feel
We all got problems, don't we?
We all need heroes, don't we?
But rest assured there's not a single person here who's worthyLa, la, la, la, la, la
Don't let me let you downHey, baby I'm not your superhuman
And if that's what you want
I hate to let you down
I got your hopes up
Now I got you hoping
But I'm gonna be the one that let you downOh, it's such a long and awful lonely fall
Down from this pedestal that you keep putting me on
What if I fall on my face?
What if I make a mistake?
If it's okay a little grace would be appreciated
Remember how we used to like ourselves?
What little light that's left, we need to keep it sacred
I know that you're afraid to let all the dark escape ya
But we could let the light illuminate these hopeless placesLa, la, la, la, la, la
Just let me let you downHey, baby I'm not your superhuman
And if that's what you want
I hate to let you down
I got your hopes up
Now I got you hoping
But I'm gonna be the one that let you downLa, la, la, la, la, la
La, la, la, la, la, laOh, no, I ain't your hero
You're wasting all your faith on me
Oh, no, I know where this goes
They can say, they say, this doesn't look a thing like meLa, la, la, la, la, la
Don't let me let you downHey, baby I'm not your superhuman
And if that's what you want
I hate to let you down
I got your hopes up
Now I got you hoping

But I'm gonna be the one that let you down
Hey, baby I'm not your superhuman
And if that's what you want
I hate to let you down
I got your hopes up
Now I got you hoping
But I'm gonna be the one that let you down
