

# Sound of Madness (Live from Washington State)

## Shinedown

Yeah, I get it  
You're an outcast  
Always under attack  
Always coming in last  
Bringing up the past  
No one owes you anything  
I think you need a shotgun blast  
A kick in the ass  
So paranoid  
Watch your back! Hola, here we go Another lose cannon, gone bi-polar  
Slipped down, couldn't get much lower  
Quicksand's got no sense of humor  
I'm still laughing like hell  
You think that the cryin' to me  
Looking so sorry that I'm gonna believe  
You've been infected by a social disease  
Well, then take your medicine I created the sound of madness  
Wrote the book on pain  
Somehow I'm still here  
To explain  
That the darkest hour never comes in the night  
You can sleep with a gun  
When you gonna wake up and fight? I'm so sick of this tombstone mentality  
If there's an afterlife  
Then it'll set you free  
But I'm not gonna part the seas  
You're a self-fulfilling prophecy  
You think that cryin' to me  
Looking so sorry that I'm gonna believe  
You've been infected by a social disease  
Well, then take your medicine I created the sound of madness  
Wrote the book on pain  
Somehow I'm still here  
To explain  
That the darkest hour never comes in the night  
You can sleep with a gun  
When you gonna wake up and fight? I created the sound of madness  
Wrote the book on pain  
Somehow I'm still here

To explain  
That the darkest hour never comes in the night  
You can sleep with a gun  
When you gonna wake up and fight? I created the sound of madness  
Wrote the book on pain  
Somehow I'm still here

To explain  
That the darkest hour never comes in the night  
You can sleep with a gun  
When you gonna wake up and fight? When you gonna wake up and fight? When you gonna wake up and fight, for  
yourself? When you gonna wake up and fight, for yourself? When you gonna wake up and fight, for yourself?

Songwriters  
Smith, Brent / Bassett, Dave
