

Misunderstood

Krizz Kaliko

Ya left me
I'm like I don't know why
Ya came back
And gave it another try
But Im caught up
And my old habits a lie
So we stop...
And now were sayin bye byeIf ya ask me to kill
I would
If ask me to steal
I would
If ya want me to love ya
I could
But we're so misunderstoodMe and you together aint really good anyway
We could break up or just break out in a heated argument on any given day
I'm impossible
Bein with me is an obstacle
Women of the world
I got lots to pull
But we closer than most
Especially with our clothes on the floors
I only give a dose to them hoes
And without you is the one thing I hate
Together our fate
But if ya ask baby I would jump in a lake
And I cheated
You stayed faithful
And I'm ungrateful
And I act so damn hateful
And over and over and over the sofa, finito
Cause I aint seen when they get control of my libido
Forget about it
Cause I mean the world of you
I was just playin with them girls baby I love you
I know I messed up with ya baby I owe you
If we break up I'm a die or youIf ya ask me to kill
I would
If ya ask me to steal
I would

If ya want me to love ya
I could
But were so misunderstoodBaby this is too hard
The fightin and the fussin and the cussin and ya bustin me in my mouth
Girl I just want ya heart
I'm tusslin with the fact that ya want me to get out
But I aint leavinYou will listen to me now
If I gotta hold ya down (down, down)
Were so misunderstood
Ya familly wonderin why ya still keepin me aroundBut if ya ask me to kill
I would
If ya ask me to steal
I would
If ya want me to love ya
I could
But were so misunderstood
(Play for me yall)
