Saturn 5

Tyko

Lady, take a ride on a Zeke 64
Jerry wants to be a rocket
That's a popular misconception
Says we haven't seen anything yetLaying down the lifeless corpse of President 35
The lady crying by his side is
The most beautiful woman aliveSaturn 5
You really were the greatest sight
Stretching out on a summer's day
Houston is calling me back to herLady, take a ride on a Zeke 64
Jerry wants to be a rocket
That's a popular misconception
It says we haven't seen anything yetLaying down the lifeless corpse of President 35
The lady crying by his side is
The most beautiful woman aliveSaturn 5
You really were the greatest sight
Stretching out on a summer's day
Houston is calling me back to herAn eagle lands and the planet
Full of people raises its hands
All hail the men who will walk up in heaven todayMonochrome TV
All the things you ever represented to me
Take me once more, take me to heaven againSaturn 5
You really were the greatest sight
Stretching out on a summer's day
Houston is calling me back to herSaturn 5
You really were the greatest sight
Stretching out on a summer's day
Houston is calling me back to her
