At the End

Broadway Calls

I've got such a big surprise for you
From me
This western world so big and strong
Has fallen to its kneesIf I could lift this town up in my arms
I'd shelter you, keep you out of harm's way
Before I saw the plane go down
I'd swear I heard the man on the radio sayI'll watch it fall down with you
We'll sit inside as bombs fill the sky
Watch it fall down
Our world is gone tonight
The stories, all the photographs
Are meaningless tonight
We hope and pray memories won't fade
Along with the burning lightIf I could lift this town up in my arms
I'd shelter you, keep you out of harm's way
Before I saw the plane go down
I'd swear I heard the man on the radio sayI'll watch it fall down with you
We'll sit inside as bombs fill the sky
Watch it fall down
Our world is gone tonight
I'll watch it fall down with you
We'll sit inside as bombs fill the sky
Watch it fall down
Where's your god tonight?Please watch it fall down with me
