Human Behaviour

BjÃ£Â¶rk

If you ever get close to a human and human behaviour
Be ready be ready to get confused
There's definitely definitely definitely no logic to human behaviour
But yet so yet so irresistibleAnd there's no map to human behaviourThey're terribly terribly terribly terribly moody
Then all of a sudden turn happy
But, oh, to get involved in the exchange
Of human emotions is ever so ever so satisfyingAnd there's no map
And a compass wouldn't help at all
