The Colors of My Life

Perry Como

The colors of my life, are bountiful and bold
The purple glow of indigo, the gleam of green an' gold
The splendor of a sunrise, the dazzle of a flame
The glory of a rainbow, will put 'em all to shameNo quiet browns or grays, I'll take my days instead
And fill them 'till they overflow, with rose and cherry red
And should this sunlit world, grow dark one day
The colors of my life, will leave a shining light
To show the wayNo quiet browns and grays, I'll take my days instead
And fill them 'till they overflow, with rose and cherry red
And should that sunlit world, grow dark one day
The colors of my life, will leave a shining light
The colors of my life will light the way
