

Slow Jukin'

Young Steff

Why, yes.
Yeah baby. (Jukin, baby)
You know what time it is (Jukin)
What you know about that, huh? (Jukin, baby)
You look so sexy to me...[Verse 1]
It's a quarter to 3
And I'm about to go
Ey Mr. DJ please, would you throw my record on
Cuz the girl on the flo's lookin right (right),
and you've been playing fast tunes all night (night)
I wanna see if you can juke slow
I wanna get my grind on
Well they say if you can dance slow
Then you can, well, you know
If you know what I mean holla back, yeah
I live right around the corner
Before i make an offer, you won't refuse
First, Imma need a lil sample[Chorus]
Yeah (Oh)
Put your back up against my front, girl make it move, move, move
Lemme see just what you gone do, baby girl can you
Juke, juke, juke, juke with me, with me, with me, with me
Juke, juke, juke, juke with me, with me, with me, with me
Yeah (Oh)
Bend over put your hands on your thighs, girl get into it to it, to it, to it
Lemme see if you can get real loose baby girl can you
Juke, juke, juke, juke with me, with me, with me, with me
Juke, juke, juke, juke with me, with me, with me, with me[Verse 2]
Girl the way you move your body got me feelin a lil hot, hot, hot, hot
I see you know what to do so let's take it to another level
Lemme see you get low (low)
Now wait a minute now stop
Now bring it up slow, hold on, oh baby damn
The energy between you and me
The way we dancing so close baby (woah)
All these people in the room
But you make me feel like, baby, its just you and me[Chorus]
Yeah (Oh)
Put your back up against my front, girl make it move, move, move

Lemme see just what you gone do, baby girl can you
Juke, juke, juke, juke with me, with me, with me, with me
Juke, juke, juke, juke with me, with me, with me, with me
Yeah (Oh)

Bend over put your hands on your thighs, girl get into it, to it, to it, to it
Lemme see if you can get real loose baby girl can you
Juke, juke, juke, juke with me, with me, with me, with me
Juke, juke, juke, juke with me, with me, with me, with me[Bridge]
(Yeah baby girl, alright)

Lemme see you put your hands down low lift that leg up high
Got me loving how you move that there, how you work those thighs
Hypnotized by how it goes back forth and side to side
Make a playa wanna ride, make me laid up all the night
(Tell me its alright)

Lemme see you put your hands down low lift that leg up high
Got me loving how you move that there, how you work those thighs
Hypnotized by how it goes back forth and side to side
Make a playa wanna ride, make me laid up all the night
Lemme hear you say[Chorus]
Yeah (Oh)

Put your back up against my front, girl make it move, move, move
Lemme see just what you gone do, baby girl can you
Juke, juke, juke, juke with me, with me, with me, with me
Juke, juke, juke, juke with me, with me, with me, with me
Yeah (Oh)

Bend over put your hands on your thighs, girl get into it, to it, to it, to it
Lemme see if you can get real loose baby girl can you
Juke, juke, juke, juke with me, with me, with me, with me
Juke, juke, juke, juke with me, with me, with me, with mePut your back up against my (Oh)
Lemme see just what you gone do, baby girl can you (Oh)
