

I Believe In Love

[Haley Dreis](#)

What have I ever told you
To make you run away?
Leavin me hanging here now
With nothing else to say

Could it be that we weren't meant to be? (2x)

Chorus:
I believe in love
The way it oughtta be
I believe in love
But darlin not with me
I believe in love

Honey, I ain't gonna lie
That I'm runnin out of tears
Seein the people walk by
With their lovers and their years

Could it be, that we weren't meant to be? (2x)

[Chorus]

Bridge:
I believe in the ever ecstasy
In defying society
I believe in l-o-v-e love, and we sing it now...

[Chorus]

Oh baby, and it's coming home to me
