

# One Night Stand

Enrique Iglesias

Let me tell you, Jenny's getting dressed up in my room  
Puts on her skirt and she's looking good  
Six A.M. and she's leaving soon  
Says, "What a crazy night, I had a real good time"  
But her kiss tells me it's goodbye  
Just like nothing happened last night  
But if I had one chance, I'd do it all over again  
One night stand, I don't think she's coming back for more  
She was only looking for a one night stand  
I don't think she's coming back for more, no, no  
Now, I'm left up in my lonely room  
She left her underwear and her perfume  
I never thought that it could be this good  
And I still feel her lips upon my fingertips  
I'm trying hard not to feel rejected  
May be the phone line's disconnected  
But if I had one chance, I'd do it all over again, I know it  
One night stand, I don't think she's coming back for  
more  
She was only looking for a one night stand  
I don't think she's coming back for more  
She was only looking  
One night stand but I'd do it all again for sure  
Baby, like a blind man I rushed in  
Now do I have the right to ask you  
Will you be coming back again?  
One night stand, I don't think she's coming back  
One night stand, I don't think she's coming back  
One night stand, I don't think she's coming back  
One night stand, I don't think she's coming back for more  
She was only looking  
One night stand, I don't think she's coming back for more  
She was only looking for a one night stand  
I don't think she's coming back for more  
She was only looking for a one night stand  
I don't think she's coming back for more  
She was only looking  
One night stand but I'd do it all again for sure  
I guess it was a one night stand, one night stand  
I guess it was a one night stand, one night stand  
I guess it was a one night stand, one night stand  
I know it, yeah
