

Love Will Lead You Back

Patti Labelle

Saying good-bye
Is never an easy thing
But you never said
You'd stay forever

So if you must go
Darling I'll set you free
'Cause I know in time
We'll be together

I won't try
To stop you now from leaving
Cause in my heart
I know

Love will lead you back
Someday I just know that
Love will lead you back
To my arms

Where you belong
I'm sure
Sure as stars are shining
One day you will find me again

And it won't be long
One of these days
My love will lead you back
One of these nights

I'll hear your voice again
You're gonna say
How much you miss me
You'll walk out this door

But someday you'll walk back in
Darling I know
I know that we'll be
Sometimes it takes

Some time out on your own now
To find your way
Back home
Love will lead you back

Someday I just know that
Love will lead you back to my arms
Where you belong
I'm sure

Sure as stars are shining
One day you will find me again
And it won't be long
One of these days

My love will lead you back
I won't try to stop you now from leaving
Cause in my heart
I know

Love will lead you back
I just know that
Love will lead you back to my arms
Where you belong

I'm sure
Sure as stars are shining
One day you'll find me again
And it won't be long

One of these days
My love will lead you back
