Dennys Girl

Boy Kicks Girl

("Evil" Kevin La Bounty 1992)
2:30 am, I'm pigging out on fries.
She turns her head to look me in the eyes.
She's dressed in black from head to toe.
She slurps her milkshake oh so slow.
She turns round' with a smile.
She's gonna' be mine in a little while.
She puckered her lips and blew me a kiss.
That's one kiss I'd never miss.
I wanna' be with that girl tonight.
She's my...Denny's Girl.
My Denny's Girl.
Denny's Girl.
My Denny's Girl.
I love the way she sips her soda.
I love the way she flings her hair.
Spilled some ketchup on my lap!
But I'm in love, so I don't really care.
She's my...Denny's Girl.
My Denny's Girl.
Denny's Girl.
My Denny's Girl.
