

God Bless America

Satellites

Got my feet up
God almighty's on my side
Got my shotgun
Gonna fire into the sky
No reason why And when I empty the draw
I'll get me some more
Send the boy to the store
He could use cheering up
And with a shake of the head
God bless America
Man on TV Swears he's sent here by the Lord
Who gave him a channel
For us to subscribe all we want
For just 20 a month
Keep our merchandise in your car
The devil bounces off
Directly into the path of anyone who don't subscribe
And with a shake of the head
God bless America
