

Tiger Eyes

Claire Guerreso

Oh oh!
Oh oooh!

I sold my heartache,
When I saw my fate,
Gonna do all it takes,
Waitin' for that lily to break.

Chorus:
I touched the fire and i'm feelin' like
a web with lies,
gonna catch you red, red handed
with my tiger eyes, with my tiger eyes!
oh oh oh oh oh oh oh oh oh X2

I'm creepin' in the shadows,
In my heart keepin' time,
how dare you come around now?
you just picked the wrong side.
oooooh oh no!

Chorus:
I touched the fire and I'm feelin' like
a web with lies,
gonna catch you red, red handed
with my tiger eyes, with my tiger eyes!

solo:
Hey! with my tiger eyes,
with my tiger eyes, with my tiger eyes!

with my tiger eyes, i'm comin' to get to you!

oh oh oh oh oh oh oh oh!
With my tiger eyes, with my tiger eyes!

Chorus
