Shoulda

Trisha Paytas

Didn't see you coming
Are you from outer space?
The face of pure danger,
Am I twisted with rage?

Thought you were the one I needed
My heart's bleeding
Time can now erase

You shoulda loved me
You shoulda treated me
You shoulda, you woulda
You shoulda woulda coulda

You shoulda loved me
You shoulda treated me
You shoulda, you woulda
You shoulda woulda coulda

You should woulda coulda

Remember all the moments? (Yeah, yeah yeah)
...

Tried to change my life
But it wasn't enough
I tried to play with your mind
It makes me feel so
Makes me feel so
Makes me feel so fucked up!
