

# Hey Jude

Duane Allman

Hey Jude, don't make it bad  
Take a sad song and make it better  
Remember to let her into your heart  
Then you can start to make it betterHey Jude, don't be afraid  
You were made, made to go out and get her  
The minute you let her under your skin  
Then you begin to make it betterAny time you feel the pain, hey Jude, refrain  
Don't carry the world upon your shoulders  
For you know that it's a fool who plays it cool  
By making world a little bit colderHey Jude, don't let me down  
You found her, now go on out and get her  
But remember to let her into your heart  
Then you can start to make it betterSo let it out and let it in, hey Jude, begin  
You're waiting for someone to perform with  
And don't you know that it's just you, hey Jude, you'll do?  
The movement you need is on your shoulderHey Jude, don't make it bad  
Take a sad song, make it better  
Just remember to let her under your skin  
Then you'll begin to make it better  
Ooh, aah, ooh, oh Jude  
Hey, hey, hey, it's gonna be all right  
Hey, hey, hey, Jude, Jude, it's gonna be all right  
Hey, hey, hey, hey  
Hey, hey, hey  
It's gonna be all right, Jude  
Yeah, you know, whoo, yeah  
Hey Jude, hey, hey Jude-y  
Got to, got to, got to
