Real, Real, Real (BBC In Concert)

Jesus Jones

I think I know what you mean and although it sounds obscene
I will always do my best to understand
You have so many words and your voice is always heard
But who can say they really understand?Real, real, real, do you feel real?
And if so, I'd like to know
How to feel real, real, do you feel real?
And if so, I'd like to knowWell, you say you have a big love and it really sounds like fun
If I knew what it was then I'm sure I'd like to have one
Give me a sign that you feel some emotionReal, real, real, do you feel real?
And if so, I'd like to know
How to feel real, real, do you feel real?
And if so, I'd like to knowSay what you like you know that no one really minds
And if there's nothing to say then
Why don't we all go away?Do you, do you, do you feel real, real?Real, real, real, do you feel real?
And if so, I'd like to know
How to feel real, real, do you feel real?
And if so, I'd like to knowBut if there's nothing to say then
Why don't we all go away?Real, real, real, do you feel real?
And if so, I'd like to know
How to feel real, real, do you feel real?
And if so, I'd like to knowDo you, do you, do you feel real?
