

In a Heartache

Andrew Maxwell Morris

You say, youâ€™ll change
I know, you wont.
You say, youâ€™re faking
I know, you canâ€™t

For just one moment
For just one moment

One day, in a heartache
Cause all it seems
Itâ€™ll never be this way.
One day, in a heartache
Cause all it seems
Itâ€™ll never be this way.

For now, Iâ€™ll remember
Your smile, your rage
It stays with me forever
Like a photo, it never dies.

For just one moment
For just one moment

One day, in a heartache
Cause all it seems
Itâ€™ll never be this way.
One day, in a heartache
Cause all it seems
Itâ€™ll never be this way.
