Aftermath

Primal Scream

Helpless it may seem
But only in my dreams
These sort of things appear as wished
Untouchable but seenIf only I could touch
To dream is not enough
To realize the evil I can sometimes follow upOh I expect a word you say
And then again it's just my way
Something that my heart and I dream
You're the one for meWalking in the rain
Till the sun comes out again
Future past and present past
Sometime the misty laneLike a garden grow
Today I'll never know
Joy assist hers poisoness
Goodbye I must goChorus (x2)You're the one for me
