Longtime Sunshine

Aykanna

sometimes i wanna pack it all up, get on a bus and move to vermont
or maine, or any of those states back east that i remember
sometimes i wanna go back to school to an east coast college with some history
i'd be satisfied, i know, in the simple thingslongtime sunshine, longtime sunshine upon mesometimes i wanna
build a house with a woodstove or a fireplace
in the middle of the living room an old piano
sometimes it don't seem so bad to settle down with a good woman
leave this lonely life behind forever and everlongtime sunshine, longtime sunshine upon me
longtime sunshine, longtime sunshine upon mesometimes i wanna get in a car, close my eyes and drive real fast
keep on going 'til i get some place where i can truly restlongtime sunshine, longtime sunshine upon me
longtime sunshine, longtime sunshine upon me
