

Missing You (Instrumental)

Case

Standing here looking out my window
My nights are long and my days are cold
Cause I don't have you
How can I be so damn demanding?
I know you said that it's over now
But I can't let go Every day I want to pick up the phone
And tell you that
You're everything I need and more
If only I could find you Like a cold Summer afternoon
Like the snow coming down in June
Like a wedding without a groom
I'm missing you
I'm the desert without the sand
You're the woman without a man
I'm a ring without a hand
I'm missing you Driving 'round thought I saw you pass me
My rearview mirror's playing tricks on me
Cause you fade away
Maybe I'm just hallucinating
Cause my loneliness got the best of me
And my heart's so weak Every day I want to pick up the phone
And tell you that
You're everything I need and more
If only I could find you Like a cold Summer afternoon
Like the snow coming down in June
Like a wedding without a groom
I'm missing you
I'm the desert without the sand
I'm the one without a band
I'm a ring without a hand
I'm missing you Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Said I'm, I'm missing you Like a cold Summer afternoon
Like the snow coming down in June
Like a wedding without a groom
I'm missing you
I'm the desert without the sand

I'm the one without a band
I'm a ring without a hand
I'm missing you Like a cold Summer afternoon
Like the snow coming down in June
Like a wedding without a groom
I'm missing you
I'm the desert without the sand
I'm the one without a band
I'm a ring without a hand
I'm missing you Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
