When the Right One Comes Along

Striking Matches

Theres no music,
no confetti,
crowds don't cheer and
bells don't ring.
But' you'll know it,
I can guarantee, when the right one comes along.What they're thinkin,
what you're feelin
you'll no longer have to guess.
All these questions, finally put to rest
When the right one comes along.chorus
Every single broken heart
will lead you to the truth
think ya know what you're lookin for
till what you're lookin for finds you.In a cold world
it's a warm place
when ya know that you're supposed to be
a million moments full of sweet relief
when the right one comes along.chorusit's so easy,
nothin to it,
you may not believe me now,
but I promise that you'll find out
when the right one comes along.All that changes,
is only Everything.
When the right one comes along.
