Tear Down the Walls

Redrum

Tear Down The Walls[Jesse to Congregation] Don't you take me to
Your preachers
And blind me with
Their teachings
Take your sorrowed souls
And give'em to the blindAre the Gods that made you lying
To the bloodied faces
And never cry
How long you all
Been waiting to dieBlinded by your teachers
Now they'll be hiding
You'll be seeking
Will you give'em mercy
Hang'em on high
Johnny get your guns for dying
It's time for right'n all the wrongs they've lied
Give me a shotgun
Make it alrightDon't tell me your
Maker's laughing
You're bleeding the world he madeShotgun the walls of wailing
Come tell me
When it starts againRunning for our lives - will ya
Tear down the walls and smile
God in Heaven save us all tonight
