

Spit

Kittie

Coward!
Spit, I think I'll spit!

To all those girls who speak contradiction
To the guy who crept through the shadows everyday
To clutch his own conclusion, watch all the blood as it drips from your veins you coward!
Godspeed, may your death come quickly

I think I'll take this hate and spit, spit, spit!

Now as it's passed onto the next one, I feel a blood rush come right over me
You know you will never be right in the eyes of the ones who know
You trusted the devil and she will betray you

Low

Why do I get shit all the time from you men
You are swine you think dick is the answer but it's not
Why do I get shit all the time from you men
You are swine you think dick is the answer but it's not
